# Mrs. Neumann's Address

Dear Students,

Firstly I want to congratulate you for successfully completing your degree. You have accomplished an important milestone in your life.

This Yearbook is about your experiences during these past school years in CEAP. The pictures help to remind you all the events and experiences you had together. Sports, trips, tests, class events, meditations, projects; these are what make up the year. What brings the greatest emotional response is what were you doing when these pictures were taken, what the group was doing and how you were connected to the group.

Now you are beginning a new phase in your life and in front of you there is a whole new world. It is challenging out there but it is fun too. There will be difficulties, there will be competition but one who has the courage to face them only can win them. Don't be afraid to situations, fight them. Don't stop learning, life is the biggest university.

Quoting an old Irish blessing: "May the road rise up to meet you. May the wind always be at your back. May the sun shine warm upon your face, and rains fall soft upon your fields. And until we meet again, May God hold you in the palm of His hand."
